

Dear Forum Music Festival Director, Participants, and Parents

Nu-Photo is proud to be the official group photographer for the 2009 Forum Music Festival events and we look forward to providing our professional services to your group. All groups are encouraged to be photographed so that each school will be represented in the official 2009 pictorial history of the event.

Each director will receive a complimentary 8 x 14 color photograph of your group that will also include the official festival logo, date, and location of the festival imprinted on this memorable keepsake. Festival participants and parents will also be able to order their own personal copies of either the formal or informal pose of the group.

The 8 x 14 professional quality photographs with the imprinted festival logo will be available for \$20.00 each. Order forms will be available at the event and all photos will be mailed out with 30 days of the event. Participants will be able to save \$2.00 on each photo if they order and pay for their pictures at the event. We have included a blank order form below. Please copy or email this form to your group members to fill out and allow them to pay the discounted price.

Thank you for assistance in informing your group members and parents about the photo services that will be provided at this prestigious event. We would like to extend our best wishes for an enjoyable and fun filled festival experience. If you should have any further questions feel free to contact us at info@nuphoto.net or call us at (877) 752-0371.
